

Ara Institute of Canterbury

International Study Guide

2021

Canterbury, New Zealand

Tegan
Ara student studying
Bachelor of Applied Science

Kia ora, welcome to Ara

It is my pleasure as Chief Executive to introduce you to an exciting range of education solutions that Ara has created to challenge minds and promote passionate learning. Our dedication and commitment to being the best in all that we do has kept Ara at the forefront of applied, vocational learning globally.

Nurturing great thinkers requires individual attention. We pride ourselves on having classes that ensure a personal learning experience. We are in the business of shaping lives, creating leaders and cultivating social pioneers; we look forward to sharing our wealth of knowledge and experience with you.

TONY GRAY
Chief Executive,
Ara Institute of Canterbury

Authorised English Examination Centre

Ara is an approved examination centre for IELTS, Pearson Test of English and OET. Our examinations coordinator can assist with registration.

About Ara

Ara Institute of Canterbury was formed in 2016 when **CPIT** and **Aoraki Polytechnic** joined forces to create the largest provider of vocational and tertiary education in the South Island of New Zealand.

Ara provides a personalised learning experience; one that is flexible and respectful of our students' educational needs and career goals. We help you to succeed with your studies and make the most of the time you spend living in New Zealand.

You will enjoy classes with a low student-to-staff ratio and easy access to our impressive purpose-built facilities. Our focus is always on balancing theory with practical learning to ensure you're work-ready when you graduate.

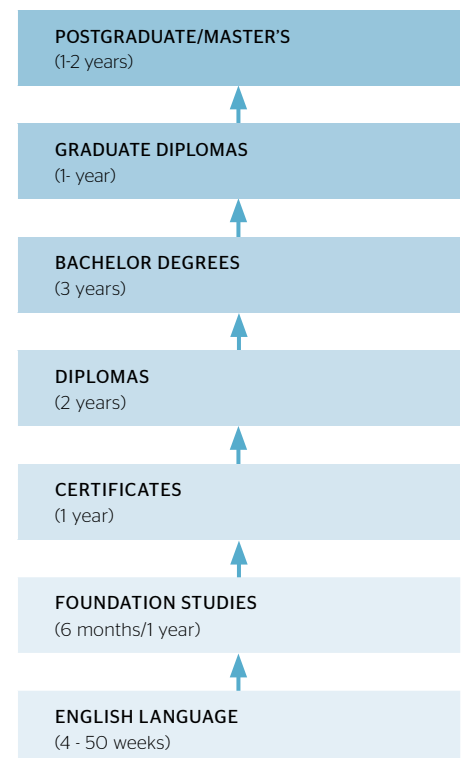

Why study with us?

A government-owned, NZQA category 1 institution, Ara has excellent facilities at campuses in Christchurch, Timaru, Ashburton and Oamaru. 19,000 students study with us each year, including 1,800 international students. We offer:

- Internationally recognised degrees and postgraduate qualifications in a wide range of subjects.
- Tutors with years of real-world experience and industry contacts
- Small class sizes (you will get to know your tutors and they will get to know you)
- Skills employers want (you will be work-ready upon graduation)
- Work placement opportunities that prepare you for the realities of the job.

More than 150 qualifications

Ara is a member of:

Why choose to study in Christchurch?

- The campus is conveniently located in the city centre
- It has state-of-the-art facilities including a new health precinct, new engineering and architectural studies building and a new recreation centre and training gym
- You can follow a seamless study pathway from English through to Master's degrees
- You'll learn in a vibrant environment with more than 50 different nationalities on campus
- There are many events and activities organised for Christchurch-based Ara students

International Student Advisors

We have a dedicated team of staff who work to support international students studying at Ara. Our team can help you, from adjusting to living in New Zealand to course and study-related issues. If you have any concerns or questions, or you don't know who to talk to, we can help or refer you to someone who can help. When you use this service, an advisor will work with you so that you can build a relationship with them while you are studying here.

We offer language support. Our staff include speakers of:

- Chinese
- Japanese
- Korean
- Nepalese

Other language support can be provided if required.

Facilities and services for international students

A wide range of facilities and services are available to you as an international student.

Library

Language Self Access Centre

Learning & Information Services

Whareora (Recreation Centre)

Career Centre

Health Centre

Cafes & Restaurant

Computer Suites

Student Common Room

Beyond study, there are many events, activities and clubs you can participate in. And when you study and live in Canterbury, stunning natural scenery and adventure activities are right on your doorstep.

Student life

We have great cafés on our campuses and our calendar regularly features exciting opportunities to make friends and practise your English with New Zealanders and other international students.

You can join in our cultural festivities, forums, exhibitions, gigs and shows, as well as attend concerts and events hosted by other music and arts groups in our venues.

To find out more about how you can get involved with life on campus, check out the news, stories and video clips on our student website –

myara.ac.nz

MyAra

All your student tools and info in one awesome app!

Living in Christchurch

A great place to live, work and play

Many arts, music and cultural festivals are held each year throughout our region and international artists regularly feature at the Horncastle Arena. Hagley Park is spectacular all year round and is the main venue for outdoor concerts, expos and events. Dance and live theatre is very popular in our city with stage shows to entertain and numerous studios teaching a variety of dance styles.

Specialist food and craft markets are held every weekend and diverse ethnicities are well represented in the city's restaurants and shopping districts.

Job Ready programme

ChristchurchNZ's Job Ready programme is for international students in Canterbury who are wanting to find employment in New Zealand after graduation. The programme features a series of workshops to train students in job seeking skills and Kiwi work culture.

**JOB READY
PROGRAMME**

Fun Facts

- **LARGEST SOUTH ISLAND CITY**, with a population of 396,882
- **RENTAL RATES** Christchurch rents are 28% lower than Auckland and 23% lower than Wellington
- **SNOW** 14 ski and snowboard areas within three hours drive (9 within two hours)
- **WALKING** 80 kilometres of city walking tracks
- **INTERNATIONAL AIRPORT** Only 15 minute drive to CBD Daily direct flights from Asia, the Middle East and Australia
- **LET IT SHINE** 2,143 annual sunshine hours.
- **GREEN SPACES** 740 city parks covering 3,000ha

Events and activities

We offer a range of fantastic opportunities that will leave you with unforgettable memories and long-lasting friendships with domestic and international students. Every activity is carefully planned and supervised so that you can join in knowing your safety is our first priority. Transportation to and from activities

is also included which means you don't need to worry about anything. All you need to do is sign up, pay and turn up on the day. Check out the latest calendar, photos and events on:

ara.international.ac.nz/activities

Become a student ambassador

Interested in becoming an Ara Student Ambassador and helping other students discover whether Ara is the right place for them to study?

Contact the Ara Student Engagement Team to find out more about joining our team.

ara.ac.nz/ambassadors

Why choose to study in Timaru?

Our second largest campus is located in the port city of Timaru, which has a population of just under 45,000 people. Situated within easy walking distance of the city centre, the Timaru campus provides quality services and facilities for students including a gym, library, common rooms and the student-run restaurant, Starz. Beyond the campus, Timaru and the South Canterbury region offer fantastic cultural and recreational opportunities ranging from horse trekking, skiing and salmon fishing to wineries, art galleries, museums and even an internationally renowned observatory.

- Timaru offers a beautiful location close to mountains, lakes, the sea and exciting outdoor activities
- Our Timaru campus is an approved provider for pathway visas

- It's a great environment for English language study; with fewer international students you can fully immerse yourself in the English language
- Our classes are small so you receive more personal attention from tutors
- We specialise in programmes that prepare students for work

Other services include:

- Computer services, laboratory, library, restaurant, commercial kitchen, student central, campus café, gymnasium, climbing wall.

We also have campus sites in Ashburton, Oamaru and Woolston.

English tutors and staff

Based in Timaru, from left to right, Kerry McAllister, Christine Prouting, Dan Zhu and Angela Wilson

Timaru campus map

Activities & attractions

South Canterbury, in the central South Island of New Zealand, is rapidly becoming a sporting base of choice for major tournaments and events. On the same day you can mountain bike, snowboard and surf - take your pick! Outdoor pursuits include white water rafting, kayaking, fishing, hunting, horse riding, walking and hiking, mountain biking, sailing, golf and 4WD tours. All are plentiful and easily accessible within a short drive from Timaru or any of the smaller towns in South Canterbury.

Events

South Canterbury has a very active events programme and regularly hosts national events. The Caroline Bay Carnival, the longest running carnival of its type in New Zealand, has been a favourite with families from all over the country since its early days 100 years ago.

Other major South Canterbury events include the Timaru Festival of Roses, Geraldine Arts & Plants Festival, Waimate Strawberry Fare and motor sport racing at the Timaru International Motor Raceway.

southcanterbury.org.nz

Accommodation

If you are an international student coming to study at Ara, there are several accommodation options you can choose from including homestays and on-campus accommodation.

Homestays

If it is your first time in this country, we strongly recommend a homestay in Christchurch or Timaru. A homestay provides a friendly, safe environment with a local family and is a great way to improve your English and experience New Zealand life.

All homestay families are carefully selected by The New Zealand Education Advisory Service (NZEAS). Homestay accommodation includes your own bedroom, laundry and most meals (two a day on weekdays and three a day on weekends). You will be matched to a suitable family and NZEAS will meet you at the airport, take you to your homestay family and make sure you're settling in well.

You can stay with your host family for the duration of your studies, or you can move into a furnished hostel or set up an apartment with friends.

ara.ac.nz/homestay

Student residence

Ōtautahi House offers modern student accommodation right next to our City campus in Christchurch. It is close to shops, public transport and all the attractions of the central city.

At Ōtautahi House you share an apartment with other Ara students from around New Zealand and the world. Each apartment is comfortable and well-appointed. You have your own furnished room (with a bed, desk and drawers) and share a communal kitchen, bathroom and living space with your room mates. There are coin-operated laundry facilities in the building. Bathrooms are cleaned every day for you, but you are responsible for keeping your room and your apartment tidy and clean.

Support for Ōtautahi residents is available through the student advisor. House rules are based on consideration and respect for others to ensure everyone's academic success and enjoyment.

ara.ac.nz/o-house

Public transport

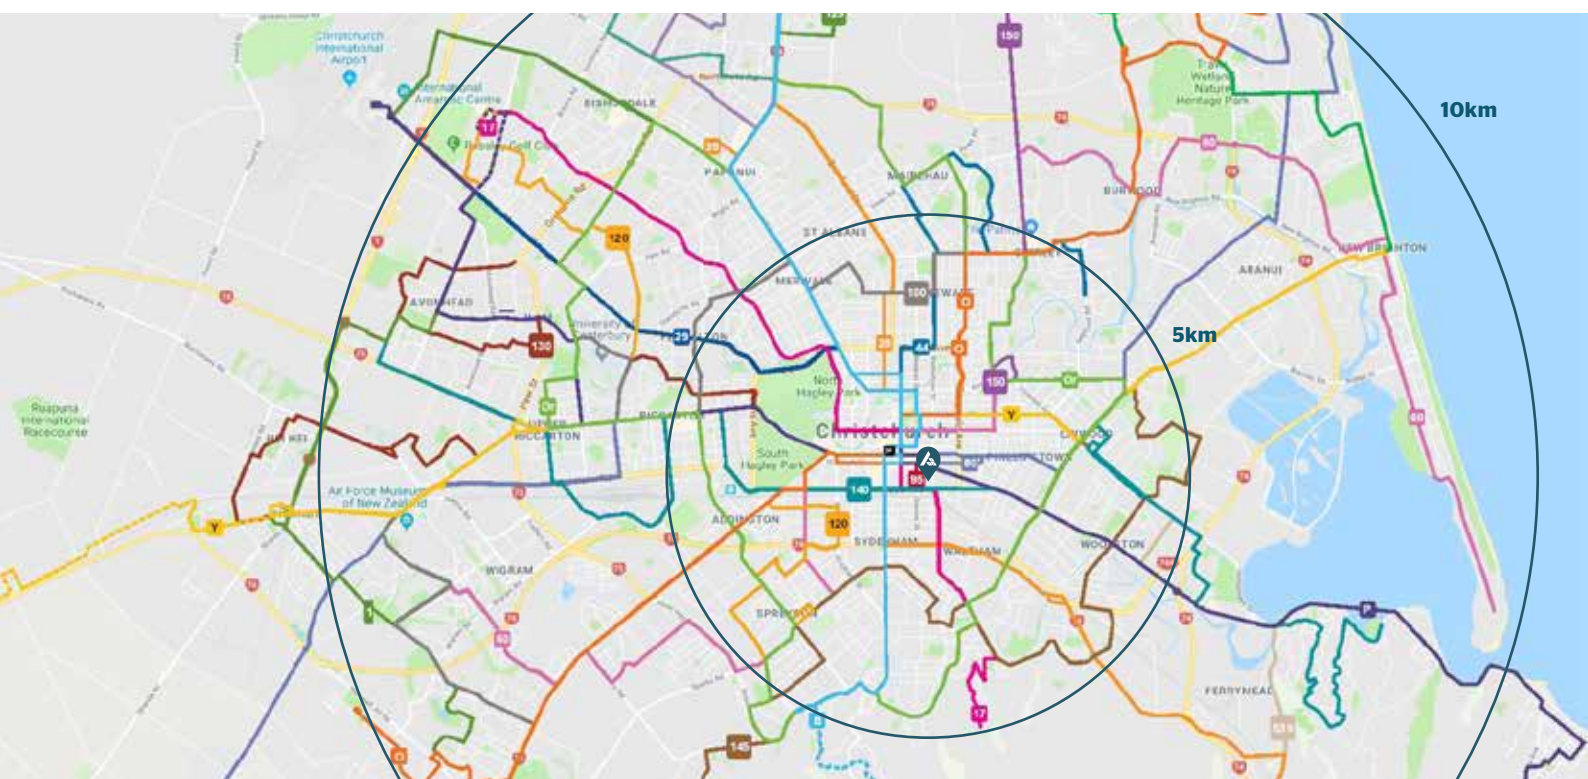

Christchurch has a comprehensive public transport network. There are several bus stops very close to the City campus.

You can check when the next bus arrives with your smart phone or mobile device.

Visit the following website for maps and timetables:

metroinfo.co.nz

m.metroinfo.co.nz/nextbus

English Language

The School of English Language at Ara is internationally recognised as one of the best English language training centres in New Zealand.

No of students: **up to 300 at any time**

Minimum 4 weeks up to 50 weeks	Minimum 4 weeks	18 weeks	Minimum 4 weeks
Beginner to advanced	Intermediate and above	Levels 3 - 5	Please enquire

Intensive English

BEGINNER TO PRE INTERMEDIATE

Intensive English is a full-time course with a focus on speaking, listening, reading, writing and grammar. We help you to improve your fluency and accuracy, as well as extend your vocabulary. You usually have a different tutor for mornings and afternoons so you will be able to hear different accents.

ara.international.ac.nz/english-courses

Afternoon classes

INTERMEDIATE LEVEL AND ABOVE

- Speaking & Listening**
 Develop and practise intensive listening skills while improving your vocabulary knowledge, using authentic material from TV and radio, as well as textbook and internet-based resource material.
- Reading & Writing**
 Improve your reading and writing skills using a wide variety of formal and informal reading texts such as magazines, newspapers and the internet. Develop a range of reading skills such as scanning, skimming and reading for detail. Learn how to plan and write with structure and cohesion.
- English for Academic Purposes (EAP)**
 EAP option focuses on preparation for future study courses while improving these core skills.
- Skills Development**
 Practise all four language skills (reading, writing, speaking and listening) in integrated skills lessons. Resources include apps and websites as well as printed and recorded materials.
- Exam Preparation**
 Learn test-taking strategies to succeed in IELTS and PTE (Pearson Test of English).

Please note: Not all afternoon electives offered every term.

Language Self Access Centre

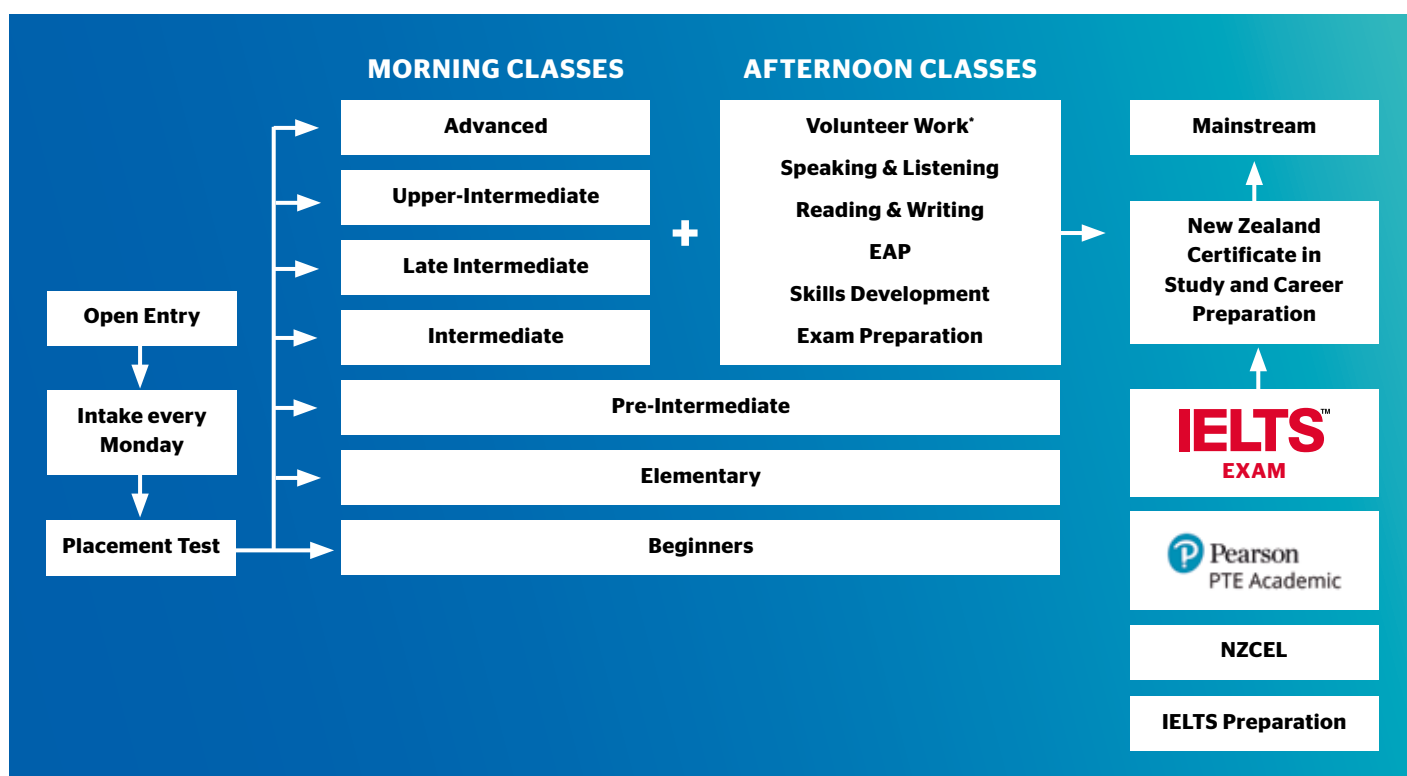

The Language Self Access Centre (LSAC) at both our Christchurch and Timaru campuses is where you can come to practise and improve your English. There is always a trained staff member available to help you select appropriate resources for your level and your needs. Resources available to you include:

- CDs, DVDs and CD-ROMs
- Multimedia computer programs
- Newspapers, TV news and online news programmes
- Course books, worksheet/audio packs, readers and dictionaries
- New Zealand English materials and information about life in this country
- English for specific purposes (e.g. nursing, business, hospitality) and English for academic study
- Preparation material for IELTS, Cambridge, OET and Pearson examinations

As well as English resources, we also have a small selection of materials for students learning Spanish, Japanese and Māori.

English pathways

Want to find out your English level? ara.ac.nz/online-english-test

English plus volunteer work

Enjoy practising your English while making new friends in the community. A good level of confidence in English speaking and listening is required. Therefore, you should be in an upper intermediate class.

We can arrange volunteering positions in the Christchurch community in the following areas:

- Caring for the elderly
- Helping in schools
- Office work
- Retail and gardening
- Tourism

Please note: hours can be irregular during this course. You will be required to do at least **eight hours per week** at times to suit. You must bring a police certificate from your country if you are wishing to work with young children.

Work placement is subject to availability, please enquire.

Work rights

If you study English at Ara for **14 weeks or more**, you can work part-time **20 hours a week** with your student visa. This allows you to gain some valuable work experience while improving your English!

Sample timetable

	Monday	Tuesday	Wednesday	Thursday	Friday	Sat/Sun
8.30am - 9am	Optional supervised self-study at LSAC					Optional weekend activities or Optional supervised self-study at LSAC
	Morning English classes

English for Further Study

New Zealand Certificate in English Language (NZCEL)

The New Zealand Certificate in English Language is an NZQA qualification that lasts a lifetime. There are seven levels from beginner to advanced. These programmes can be used for further study, for work or for general English development. They aim to extend your ability in all areas of English communication (speaking, listening, reading and writing), prepare you for further ESOL English or mainstream study and extend your ability, confidence and comfort in a new country.

The NZCEL is an **18-week** course comprising two blocks of nine weeks with a two-week break in between. Classes are **20 hours** per week.

NZCEL can be used to meet English language entry into our mainstream programmes. For further details, refer to the entry criteria of each programme and the equivalence table below. NZCEL studied at Ara is also accepted by the **University of Canterbury** and **Lincoln University**.

Stephanie Dong | China
Graduate Diploma in Sales and Marketing

“The ability of mastering language proficiently is the solid foundation for survival and study overseas.”

English equivalence table

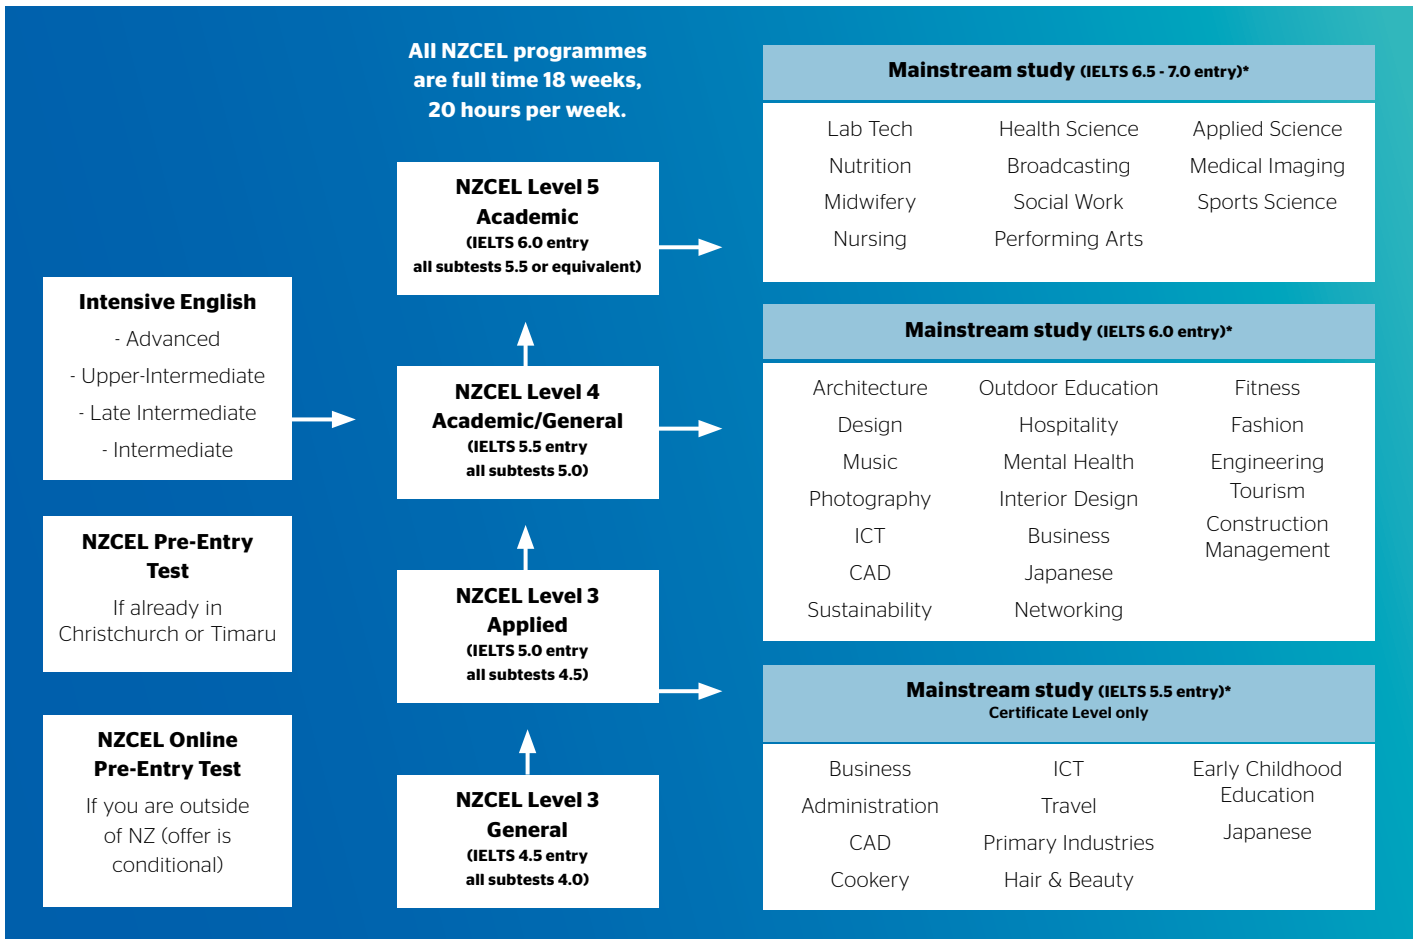

Level	IELTS		TOEFL		TOEFL		Cambridge		NZCEL	Pearson (band score)	City & Guilds Score
	Overall	Subtest	pBT	TWE	iBT	Writing	B2First	C1Advanced or C2Proficiency			
3	5.0	(5.0)	500	(4)	35	20	154	Grade C	Level 3 (General)	36 (36)	B1 Achiever (43)
4	5.5	(5.0)	530	(4.5)	46	20	162	Grade C	Level 3 (Applied)	42 (36)	B2 Communicator (42)
5	5.5	(5.0)	550	(5)	46	20	162	Grade C	Level 4 (General)	42 (36)	B2 Communicator (42)
6 & 7	6.0	(5.5)	550	(5)	60	20	169	Grade C	Level 4 (Academic)	50 (42)	B2 Communicator (66)
8 & 9	6.5	(6.0)	590	(5.5)	79	21	196	Grade B	Level 5	58 (50)	C1 Expert (42)

Refer to English Proficiency Outcomes Table at ara.ac.nz/english-equivalence

If you have achieved NCEA Level 3 University Entrance requirements you are not required to provide evidence of English language skills for most programmes.

Pathways to further study

The following diagram shows various pathways from English language to further academic studies available at Ara. You can start at any point according to your level and our staff will assist you along the way.

*Please refer to pages 4 - 5 for mainstream study options and the programme listings on pages 34–35 for details including IELTS subtest requirements

Customised group programmes

Drawing on the expertise of staff from across Ara we will work with you to design a programme that meets the needs of your students or staff.

Examples include:

- English + Adventure Tourism
- English + Art & Design
- English + Business Studies
- English + Hospitality
- English + Information & Communication Technologies
- English for Nursing
- English + Outdoor Education
- English + Teacher Training
- Upskilling English for teaching staff

Sample timetable

Teacher Training

There are several options available if you are interested in becoming an English teacher, whether you teach in New Zealand or overseas. Training is focused on the principles of communicative language teaching and involves practical teaching sessions and class observation.

Course	Duration	Entry level
CELTA	Full-time 4 weeks or Part-time 11 weeks	IELTS 7.0 (additional screening process applies)
English plus Teacher Training (customised group programme)	Min 4 weeks	Please enquire
Teacher Training for groups	Min 4 weeks	Please enquire

CELTA is an internationally-recognised teaching qualification from the University of Cambridge. Graduates of this course can teach English to adults anywhere in the world, in a variety of contexts. We are able to offer customised teacher training programmes to suit the institution's need.

Jake Turner-Steele | New Zealand

Foundation Studies

Pathway to mainstream programmes

Foundation programmes are stepping stones to further study or a new career. They can equip you with entry level qualifications and academic skills needed for more advanced study.

You can take a foundation course if:

- you don't meet the entry requirements for the programme you want to study
- you are returning to study after time away from formal education
- you are seeking a change of direction

We offer a range of assessed and non-assessed foundation programmes.

Ara is an approved provider for **pathway visa** by Immigration New Zealand.

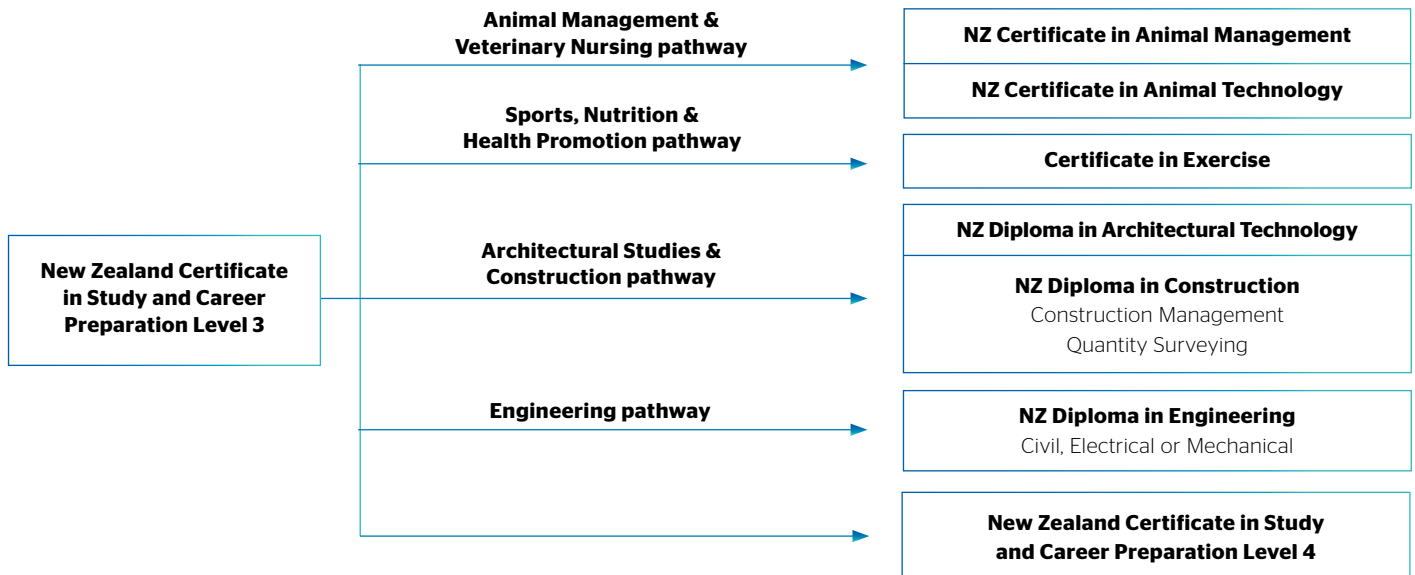

Zoe Liu | China

New Zealand Certificate in Study and Career Preparation (Pre Health Pathway)

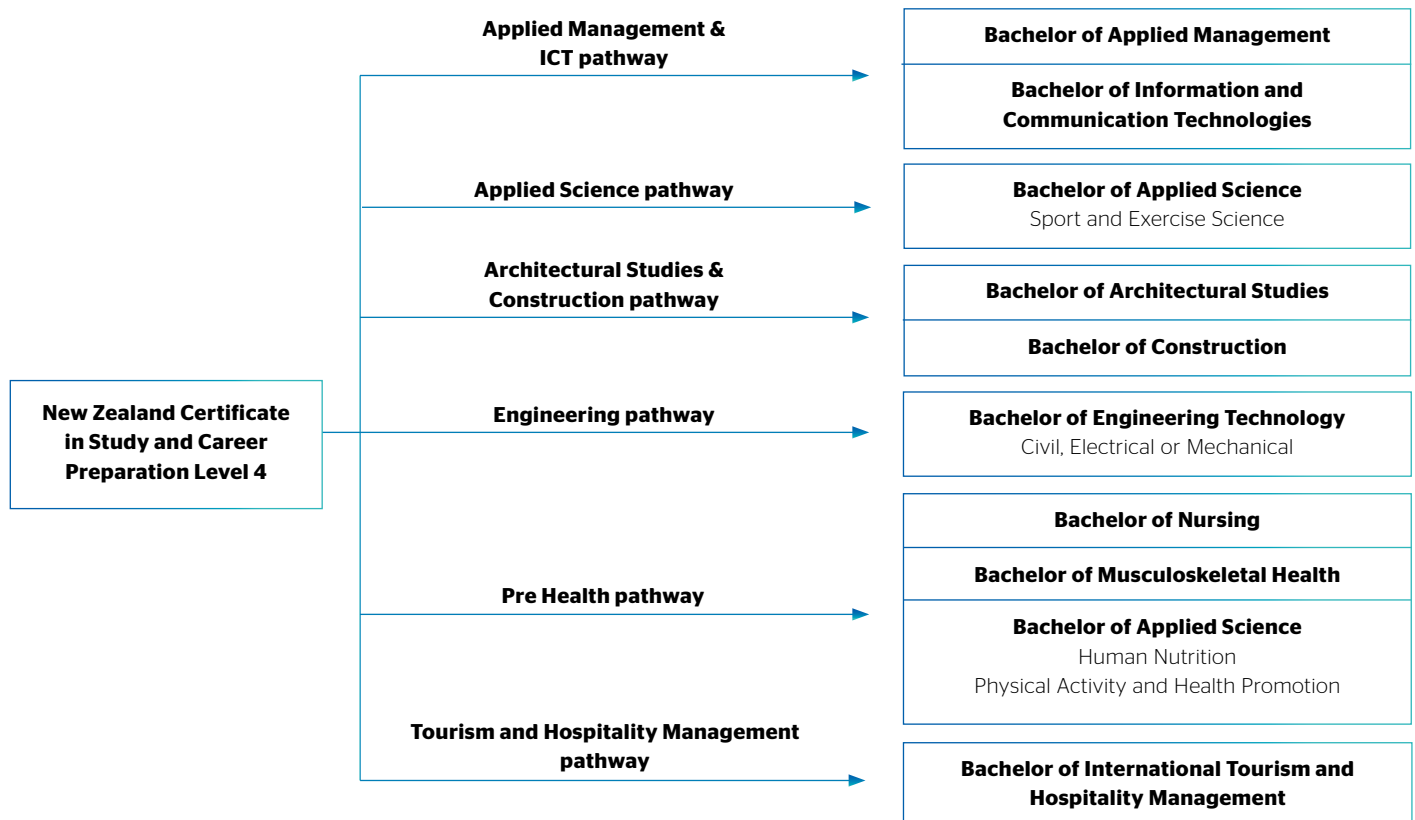

**“The course was amazing
– I’m fully ready for my
next step.”**

New Zealand Certificate in Study and Career Preparation

Level 3 Pathway to Certificates & Diplomas

Level 4 Pathway to Degrees

Commerce

Ara's industry-endorsed business programmes have a strong emphasis on equipping you with excellent organisational and analytical skills, an innovative approach and the ability to design and implement solutions for real-world problems.

You'll learn from expert tutors and highly regarded local business people who will share their knowledge within and beyond the campus. You'll also have opportunities to boost your learning through real-world research projects and time in work placements.

Co-operative education project (degree students)

As part of your degree you will work hands-on within a real business environment, applying your learning for a minimum of **200 hours**. You will complete a significant research project for your host organisation that relates to your specialisation(s). The aim is to bring together the learning from your whole programme of study and for you to apply it to a real-life challenge or opportunity.

Graduates from these programmes are employed in:

- Accounting - accounts assistant, office manager,
- Human resources management
finance manager, associated chartered accountants
- Marketing
- Business management
- Project management
- Event management
- Sales and retail management
- Logistics
- Entrepreneurship
- Financial planning
- Operations management

ara.ac.nz/business

Industry project (graduate diploma students)

You will complete a work placement of **200 hours** together with a research project in a real business environment. The graduate diploma programme enables students with previous academic success the chance to gain skills in an additional discipline that can greatly enhance employability.

Stephan Kolsbjerg Ragunathan | Denmark
Bachelor of Applied Management

“I loved the tutors. They were all very friendly and ready to help.”

ICT

Our in-depth ICT programmes have been developed in conjunction with industry to ensure they're up-to-date and relevant. They combine theory and practical skills and are taught by experienced professionals with both academic and industry experience. You will graduate with the knowledge and practical skills employers are seeking, well-prepared and highly capable of being effective in the workplace from your very first day.

It is one of the fastest growing sectors internationally and in Christchurch. The Canterbury tech sector employs 15,000 people within the region, contributing a massive \$2.4 billion to our GDP. Explore a wide range of tech-related career opportunities by studying one of our ICT programmes at Ara.

Bachelor of Information & Communication Technologies

- Software Development
- Networking and Infrastructure
- Information Systems

Graduate Diploma in Information & Communication Technologies

- Front-end Programming
- Networking
- Information Systems, Strategies and Solutions
- Cybersecurity

Graduates from these programmes are employed in:

- IT helpdesk
- software development
- programming
- project management
- application development
- database administration
- software engineering
- test analysis
- other IT related roles
- network administration
- support technician
- systems analysis
- network management
- support specialist
- interactive media development
- business analysis
- ICT management

ara.ac.nz/ict

Co-operative Education Project

If you are studying an ICT degree at Ara you will get to work hands-on within a real business environment where you will apply your learning and complete a **450-hour** practical project for your host organisation. Similar opportunities may also be available for graduate diploma ICT students.

Pornpitcha Worathongchai | Thailand
Bachelor of Information and
Communications Technology

“Ara offers more practical experience that can help students in their career.”

Engineering

Our engineering programmes are delivered in a stimulating environment that encourages enquiry and supports a balance of theory and practical learning. Within our impressive, purpose-built facilities, you will learn from highly experienced professionals with diverse industry contacts.

We work closely with a range of businesses, institutions and organisations in engineering to develop internships, work placements and cutting-edge research projects to further develop your skills.

Graduates from these programmes are employed in:

- Architecture - 3D architectural modeller, architectural designer
- Construction management - construction site manager
- Quantity surveying - quantity surveyor
- Interior design - interior designer, theatre set designer
- Civil engineering - engineering technicians and technologists, designers, construction supervisors, sales or project engineers and employment options related to supporting the design and construction of infrastructure developments
- Electrical engineering - engineering technician and technologist in power, computing network, electronics and telecommunication
- Mechanical engineering - engineering technicians and technologists, design engineer, production engineer, maintenance team leader, sales engineer or quality assurance engineer, and related employment options from high-level industrial facilities and urban-based manufacturing through to agricultural processing plants
- Computer Aided Design - CAD operator, CAD designer, product designer

Dinh Van Nguyen | Vietnam

Bachelor of Engineering Technology (Mechanical)

“Ara provides more practical knowledge than you get at university.”

Health

Our health programmes give you the training, knowledge, experience and industry connections to take your skills and personal qualities where they are really needed.

Whatever pathway you choose to pursue, our well-respected qualifications will give your career the perfect start. You will learn from experienced health experts who are passionate about sharing their knowledge.

'Manawa', our brand new, purpose-designed Christchurch health campus, is located within a two-minute walk of the city's main hospital. Opened in July 2018, it features the latest simulation and training tools, and is designed to facilitate collaboration and knowledge-sharing among students, academics and health professionals.

Ara regularly achieves among the highest graduate employment rate for nurses in New Zealand and in 2018 achieved a near-perfect and unprecedented result, with 99% of graduates in employment within four months of sitting the state exam.

Graduates from these programmes are employed in:

- Health care - midwife, radiographer, medical radiation technologist, osteopath
- Social Services - social worker, mental health support worker, community support worker

ara.ac.nz/healthcare

Rong Wang | China
Bachelor of Nursing

“It’s preparing me so well for a career in nursing.”

Science

More and more roles are emerging for practical and analytical thinkers to make a meaningful difference to individuals and even whole communities.

Our science qualifications have been created in collaboration with employers to meet industry needs. Taught by highly qualified and experienced professionals, they're designed to lead to hands-on careers where you can apply your knowledge and work competently in your chosen industry from day one.

Graduates from these programmes are employed in:

- Science - laboratory technician, veterinary nurse, research technician, zoo worker, animal breeder, kennel manager
- Health promotion - health science researcher, health/lifestyle consultant, health promoter
- Human nutrition - nutritionist, nutrition product developer
- Sport science - performance analyst, strength and conditioning coach, sports therapist, group fitness instructor, personal trainer, gym manager

Glorimae Lerios | Philippines
Graduate Diploma in Laboratory Technology

“We’re encouraged to be independent.”

Hospitality & Service Industries

Whether you aspire to be a chef, baker, hospitality professional, beauty therapist, hair stylist, travel specialist or tourism operator, we have a study option to help you realise your dream.

You will learn from tutors who are passionate about their industry and have extensive experience to share with you. Our facilities are excellent and include five commercial kitchens, a bakery, two training restaurants (Visions in Christchurch and Starz in Timaru), a training cafe and bar, barista room, hair and beauty salons and simulated reservations and housekeeping suites.

We are the first institute in New Zealand to have all cookery and bakery programmes recognised by the World Association of Chefs' Societies.

Ara (including its predecessors CPIT & Aoraki Polytechnic) has won the Nestle Toque d'Or Supreme Award 16 out of 28 times since it commenced in 1991.

Graduates from these programmes are employed in:

- Cookery - chef, baker, caterer
- Hospitality - restaurant server, barista, concierge, functions co-ordinator, hotel receptionist
- Travel and tourism - travel consultant, airline or cruise ship staff, tour guide
- Beauty Therapy - beauty therapist, makeup artist, nail technician, skin care consultant, sales representative, salon/clinic manager or owner

Kumendra Dharmadasa | Sri Lanka
Bachelor of International Tourism
and Hospitality Management

“The degree really does cover all the bases.”

Creative

Your talent, ingenuity and inspiration will be nurtured with our range of creative qualifications.

Our programmes are led by industry professionals and are focused on encouraging your originality and developing the skills you need to succeed in these highly competitive sectors.

At Ara, the practical nature of study is at the forefront, with hands-on workplace training. This ensures that you will reach a level of competence necessary for the workplace, and will be confident and capable when you graduate.

Graduates from these programmes are employed in:

- Art and design - graphic designer, multimedia designer, film animator, jewellery designer, artist
- Fashion - fashion designer, fashion buyer, stylist
- Photography - professional photographer, photographic artist
- Media and communications (broadcasting) - camera operator, editor, post production, visual effects, TV broadcaster, radio announcer, journalist, director
- Music and performance - actor, singer, dancer, session musician, theatre director, songwriter, composer, artist manager

Tsumuki Taniguchi | Japan
Diploma in Professional Photography

“This programme is very hands-on and I can learn a lot of skills quickly.”

Language, Sustainability & Outdoor Education

With a qualification in language or education you can foster relationships and help others achieve their goals.

In languages we offer programmes in Maori and Japanese. Both are designed to immerse you in the language to foster your fluency, while giving you a sound understanding of the culture.

Our education programmes include outdoor education and teaching English to adults. Outdoor education programmes at Ara emphasise sustainability and make the most of the beautiful and varied outdoor environments within easy reach of our Christchurch and Timaru campuses.

Graduates from these programmes are employed in:

- Sustainability and outdoor education - outdoor education teacher, adventure or ecotourism guide, recreation or conservation guide, ski/snowboard instructor
- Languages - interpreter, business translator, entrepreneur, language teacher

Arthur Machado | Brazil
Graduate Diploma in Sustainability
and Outdoor Education

**“I enjoyed everything,
the whole journey.”**

International application process

International Admissions will assess your application. If more information is requested you will be sent an email. We may recommend an alternate study pathway if your chosen one is not suitable. We will then issue an offer.

Refund Policy

We understand that sometimes a change in your health or circumstances can affect your plans to study with us. It is important that you understand the Refund Policy at Ara and that it is based on a student's **'Path of Study'**. This means the length of the programme as detailed in the statement of fees and accepted by payment and enrolment. The chart for calculating a refund is shown below.

Consideration for Refund	Refund amount (Tuition fees)	Homestay placement fee	Documents to be submitted by student
Student withdrawing prior to the Path of Study start date	Full refund less NZ\$500 administration fee	No refund	Completed Withdrawal (enrolment amendment form) AND Written request to withdraw (email or letter to intladmissions@ara.ac.nz)
Student withdrawing within the first seven calendar days of the commencement of the Path of Study	80% of tuition fees paid (20% tuition fees will be deducted for administration purposes)	No refund	
Student withdrawing after the seventh calendar day of the commencement of the Path of Study.	No refund	No refund	
A student visa is not granted or approved by Immigration New Zealand	Full refund less \$500 administration fee	No refund	Official notification from Immigration New Zealand indicating the student visa application has been declined.
Student visa renewal declined by Immigration New Zealand on the basis of poor attendance, unsatisfactory academic performance and/or late visa application (Sec 61)	80% of tuition fees paid (20% tuition fees will be deducted) OR Refund will be pro-rated based on last attendance date	No refund	Official notification from Immigration New Zealand indicating the student visa application has been declined
Cancellation of Enrolment by Ara	No refund	No refund	A termination of enrolment letter.
Compassionate consideration (only considered when withdrawal circumstances are beyond student's control and meet the requirements of the Consideration of Withdrawn Grade or Fees Refund Policy including Compassionate consideration policy)	Refund amount will be determined on an individual basis.	Refund decision will be determined on an individual basis.	Documentation supporting your application for a refund and Compassionate Consideration application form

Code of Practice requirements

Ara has agreed to observe and be bound by the Education (Pastoral Care of International Students) Code of Practice 2016 administered by the New Zealand Qualifications Authority (NZQA). Copies of the Code are available on request from this institution or from the NZQA website at:

nzqa.govt.nz/providers-partners/education-code-of-practice/

Immigration

Full details of visa and permit requirements, advice on rights to employment in New Zealand while studying and reporting requirements, are available through Immigration New Zealand and can be viewed at:

immigration.govt.nz

Eligibility for health services

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed at:

health.govt.nz

Accident insurance

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, however you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at:

acc.co.nz

Medical insurance

Ara requires all international students to have comprehensive travel and medical insurance. This is a legal requirement under the New Zealand Ministry of Education Code of Practice for the Pastoral Care of International Students. The preferred insurance provider for Ara is Allianz StudentPlus, which has specifically tailored its policy to meet the needs of our students. More information can be found at:

ara.ac.nz/insurance

New Zealand Privacy Act

Personal information is protected by the New Zealand Privacy Act 2020.

The information collected and held by Ara will be used to register and enrol you, to assist you with your studies, to arrange for your stay in New Zealand, to monitor your welfare and progress, and to keep in touch with you in the future.

Information about your enrolment, attendance, progress and welfare may be obtained from and disclosed to your parents, guardians, agents, other providers of international education, the Police, Department of Courts, Immigration NZ, NZ Qualifications Authority, Ministry of Education, Ministry of Foreign Affairs & Trade, Education NZ, or insurance agent.
