# Prepare for degree-level study

with the New Zealand  
Certificate in Study and Career  
Preparation Level 4

**ADVANTAGE YOU**

*Kia raka te matau, kia raka te mau*

## Take the next step towards a degree

If you don't meet the entry requirements for a degree, or if you want to enhance your academic skills before moving on to higher-level study, our New Zealand Certificate in Study and Career Preparation is the perfect solution.

It'll give you the academic skills required for entry to a wide range of degrees. You'll also gain the confidence you need to take your studies to the next level.

### **The New Zealand Certificate in Study and Career Preparation Level 4 is available in a choice of pathways:**

- Architectural Studies
- Business
- Computing
- Construction
- Engineering
- Health
- Medical Imaging and Applied Science
- Social Work

Each pathway includes core courses to equip you with fundamental academic skills, then a selection of courses specific to your chosen pathway.

To see the diploma and degrees that these pathways lead to, refer to the graph on the back cover.

Please note that completion of either the Medical Imaging and Applied Science pathway leads to all health-related degrees.

### **Entry requirements for the New Zealand Certificate in Study and Career Preparation Level 4**

#### **Academic**

40 credits at NCEA Level 2 including 10 Level 1 literacy credits and 10 Level 1 mathematics credits, OR New Zealand Certificate in Study and Career Preparation Level 3.

#### **Alternative**

If you can demonstrate tertiary study skills (including literacy and numeracy) gained through work and/or life experience, you may be eligible for alternative entry. Literacy and numeracy assessments are available.

#### **English language**

If English isn't your first language, you may be required to provide evidence of your English language skills. Please refer to our website for relevant IELTS information. If you have no evidence of your English language skills, and you're a New Zealand citizen or resident, please contact us for an assessment.

#### **Please note:**

- All pathways are offered in Christchurch; only the health pathways are offered in Timaru
- All courses are available on-site and some are available online
- Not all courses are offered during both semesters
- Some maths courses have a pre-requisite
- The first numeral in the course code indicates the level (eg CSCP305 is a Level 3 course)
- All courses are 15 credits, except one within the Tourism and Hospitality pathway, and the whole programme totals 60 credits
- Completion of the certificate does not mean automatic entry into degree programmes (other requirements may apply)

## Programme structure

The tables below show the courses required for each study pathway. You can study them full-time or part-time and in any order.

Code: NZ2860

Intakes: February and July

### Pre Health Pathway

- Bachelor of Nursing
- Bachelor of Midwifery
- Bachelor of Musculoskeletal Health
- Bachelor of Applied Science (Human Nutrition and Health Promotion)
- New Zealand Diploma of Wellness and Relaxation Massage

CODE	TITLE
CSCP400	Skills for Academic Study Level 4
CSCP401	Essentials of Human Body and Microbial Science
CSCP402	Essentials of Cell Biology and Chemistry
CSCP304	Mastering Calculations

### Medical Imaging and Applied Science Pathway

- Bachelor of Medical Imaging
- Bachelor of Applied Science (Sport & Exercise Science)
- New Zealand Diploma in Applied Science Level 5

CODE	TITLE
CSCP400	Skills for Academic Study Level 4
CSCP401	Essentials of Human Body and Microbial Science
CSCP402	Essentials of Cell Biology and Chemistry
CSCP404*	Applied Maths

### Social Work Pathway

- Bachelor of Social Work

CODE	TITLE
CSCP400	Skills for Academic Study Level 4

Choose three courses from the following:

CSCP403	Health and Interpersonal Relationships in Aotearoa/NZ
